“Change life! Change society! These ideas lose completely their meaning without producing an appropriate space. A lesson to be learned from Soviet constructivists from the 1920s and 30s and of their failure, is that **new social relations demand a new space, and vice-versa**.”

~ Henri Lefebvre

Schuylkill River & Urban Waters RESEARCH CORPS

The Schuylkill Corps Archive is an interactive and growing public archive of citizen science and public humanities projects. Together we wil discover and document the tidal river's past and present while collaboratively imagining it's future.
